**The Chronicles of Clovis (Xist Classics) Saki**

**Meet Clovis, the Prankster!**

*“There was something alike terrifying and piteous in the spectacle of these frail old morsels of humanity consecrating their last flickering energies to the task of making each other wretched. Hatred seemed to be the one faculty which had survived in undiminished vigor where all else was dropping into ordered and symmetrical decay.” - Saki, The Chronicles of Clovis*

The Chronicles of Clovis is a collection of short stories all centered on the main character Clovis Sangrail. Clovis is not your average young rich kid, nonchalant and arrogant. He likes to surprise doing bizarre things that many would not even imagine. Witness his pranks with a grain of salt and be amazed at the reactions of the people tricked.
