The Shipment and Lear

Young Jean Lee

The Shipment and Lear Young Jean Lee

“A subversive, seriously funny new theater piece by the adventurous playwright Young Jean Lee. . . . Ms. Lee does not shy away from prodding the audience’s racial sensitivities—or insensitivities—in a style that is sometimes sly and subtle, sometimes as blunt as a poke in the eye.”—Charles Isherwood, *The New York Times*

“Lee is a facetious provocateur; she does whatever she can to get under our skins—with laughs and with raw, brutal talk . . . [and with] so ingenious a twist, such a radical bit of theatrical smoke and mirrors, that we are forced to confront our own preconceived notions of race.”—Hilton Als, *The New Yorker*

With *The Shipment*, her latest work taking on identity politics, Young Jean Lee “confirms herself as one of the best experimental playwrights in America” (*Time Out New York*). The Korean American theater artist has taken on cultural images of black America, in a play that begins with sketches of African American clichés—an angry, foul-mouthed comedian; an aspiring young rapper who ends up in prison—and ends with a seemingly naturalistic parlor comedy, which slyly reveals the larger game Lee is playing, leaving us to consider the many ways that we see the world through a racial lens.

Young Jean Lee is a playwright, director, and artistic director of her own OBIE Award-winning theater company, which has been producing her plays since 2003. Her other works include *Songs of Dragons Flying to Heaven*, *Church*, *The Appeal*, and *Pullman, WA*, and they have been produced across the country and internationally.
