VMware vCloud Director Cookbook Daniel Langenhan

## In Detail

VMware vCloud Director is an enterprise software solution that enables the building of secure, private clouds by pooling together infrastructure resources into virtual data centers. The tool enables self-service via a web interface to reduce the management overhead and offers amazing possibilities for production and development environments. Thus, the tool will ensure efficient management of resources with data center efficiency and business agility.

"VMWare VCloud Director Cookbook" will cover a lot of ground, ranging from easy to complex recipes. It will not only dive into networks, data-stores, and vApps, but also cover vCloud design improvements, troubleshooting, and the vCloud API.

"VMWare VCloud Director Cookbook" is split into different sections, each of which deals with a special topic in vCloud - from networks, to vApps, to storage and design. This book contains over 80 recipes with the difficulty levels ranging from simple to very advanced. You will learn how to automate vCloud easily and quickly with the API, and also learn how to isolate a vApp and still fully access it without risking the network. Design considerations that need to be addressed while deploying the vCloud and more will also be looked into.

"VMWare VCloud Director Cookbook" will make your life as an admin a lot easier by providing you with some good recipes that have been proven to work in small to large enterprises.

## Approach

"VMware vCloud Director Cookbook" will adopt a Cookbook-based approach. Packed with illustrations and programming examples, this book explains the simple as well as the complex recipes in an easy-to-understand language.

## Who this book is for

"VMware vCloud Director Cookbook" is aimed at system administrators and technical architects moving from a virtualized environment to cloud environments. Familiarity with cloud computing platforms and some knowledge of virtualization and managing cloud environments is expected.

### From reader reviews:

#### **Raymond Childers:**

Within other case, little individuals like to read book VMware vCloud Director Cookbook. You can choose the best book if you like reading a book. So long as we know about how is important a book VMware vCloud Director Cookbook. You can add information and of course you can around the world by a book. Absolutely right, simply because from book you can realize everything! From your country till foreign or abroad you may be known. About simple matter until wonderful thing you could know that. In this era, we could open a book or maybe searching by internet system. It is called e-book. You need to use it when you feel weary to go to the library. Let's read.

#### **Jonathan Woods:**

Book is actually written, printed, or highlighted for everything. You can learn everything you want by a guide. Book has a different type. As we know that book is important matter to bring us around the world. Beside that you can your reading proficiency was fluently. A book VMware vCloud Director Cookbook will make you to be smarter. You can feel a lot more confidence if you can know about every thing. But some of you think that open or reading a book make you bored. It is far from make you fun. Why they are often thought like that? Have you searching for best book or ideal book with you?

#### **Darlene Lewis:**

As people who live in the particular modest era should be update about what going on or facts even knowledge to make these individuals keep up with the era that is certainly always change and advance. Some of you maybe may update themselves by looking at books. It is a good choice for yourself but the problems coming to a person is you don't know what kind you should start with. This VMware vCloud Director Cookbook is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

#### **Roman Morris:**

Playing with family in a park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love VMware vCloud Director Cookbook, you may enjoy both. It is excellent combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't understand it, oh come on its referred to as reading friends.
